PROFESSIONAL EXPERIENCE

Freelance Front-End Developer, Orlando, FL   **May 2015 – Present**
- Developed and implemented cohesive web pages for a Central Florida mechanical engineering firm using HTML5, CSS3, jQuery, and Bootstrap
- Collaborate with Code for Orlando team on a Pet Adoption Application for Town of Lady Lake in order to enhance efficiency of Lady Lake Animal Control. Created mobile and desktop wireframe, offering visual representation of animals within their system.
- Updated HTML files to comply with new design specifications for a local start-up. Modified CSS declarations to match new design specifications and added jQuery scripts.

City of Orlando, Orlando, FL   **May 2008 – August 2012, June 2013 – Dec 2014**
Lifeguard, Facility Operations
- Interacted professionally with patrons to ensure safety and enjoyment of facilities.
- Spearheaded acquisition of recycling receptacles at pool facility, upholding City of Orlando "green" initiative.
- Taught appropriate swim techniques and administered swim tests to groups of varied age range, resulting in increased aquatic safety of patrons and staff.

City Year Miami, Miami, FL   **August 2012 – May 2013**
Corps Member, Event Coordinator
- Created and distributed formal event proposals to communicate effectively with industry leaders and individuals holding senior leadership positions, contributing to successful events.
- Coordinated public outreach initiatives to gain support and donations, enhancing the events hosted at North Miami Senior High School (NMSHS).
- Organized logistics of events to be hosted at NMSHS resulting in well organized and informative events.
- Established relationships with local business leaders and management supporting and enhancing fundraising.
- Led students in Algebra 1 lessons, resulting in improved morale and increased test scores.
- Assisted in the planning and implementation of math review fair so that students were provided with additional interactive tutorials in preparation for state-mandated standardized testing.
- Led groups of 15 to 30 volunteers in completing community service projects at NMSHS.

ADDITIONAL ACTIVITIES

Stetson University Symphony Orchestra, Deland, FL   **2007 – 2011**
- Regular performances on the Stetson University campus, section leader - violin two
- Violin Teacher: Routa Kroumovitch; Orchestra Conductor: Anthony Hose

Orfeo Summer Music Festival, Vipiteno, Italy   **June - July 2010**
- Violinist in Orfeo Festival Orchestra; lead violinist, ensured preparation of repertoire in order to successfully lead a trio in concert performance.

Stetson University Marketing Office   **2010**
- Maximized opportunity for Stetson University community involvement through succinct synopsis of upcoming events to be administered and available to the public.
- Implemented interview and research skills in order to develop press releases for print and web publication.
